Attention Business Editors:  
China Trip Successful for Mill City

CALGARY, Jan. 27 /CNW/ - MILL CITY INTERNATIONAL CORPORATION ("Mill City") is pleased to report that their recent trip to China was most successful. Company representatives spent one week in China, primarily in Huhhot, the capital city of Inner Mongolia Autonomous Region ("IMAR"), meeting with top officials of the Geological and Mineral Prospecting and Exploitation Bureau. The Company is extremely pleased with the reception it received together with the mutual desire and willingness to work together. Both parties expect to be able to announce a formal working agreement in the near future that will detail joint venture opportunities for Mill City.

"We are most anxious to formalize our working arrangement with the Geological Bureau so that the Company can complete a due diligence review of several projects we discussed", said James R. Brown, company Chairman and President.
