

MILL CITY GOLD CORP.

FOR IMMEDIATE RELEASE

TSX VENTURE SYMBOL "MC"

**30,000 FT. DRILLING CONTRACT SIGNED FOR
PONY CREEK/ELLIOT DOME PROPERTIES, CARLIN TREND, NEVADA**

MAY 11, 2006 – CALGARY, ALBERTA – MILL CITY GOLD CORP. (the "Company") has been advised that a 30,000 foot Deep Hole Core Drilling Contract has been signed with Boart Longyear Drilling Company to further explore the Company's Pony Creek/Elliot Dome properties in Elko County, Nevada. Grandview Gold Inc. ("Grandview") who is exploring the Pony Creek/Elliot Dome properties through an Option Agreement with the Company, announced today that the contract includes a minimum of 12 deep holes with a total aggregate of 30,000 feet.

Drilling is expected to commence the first week of June, 2006. The immediate 12 drill hole targets are in proximity to Newmont's PC-20 high-grade hole and drill hole PC-05-02/2A drilled in late 2005 with high-grade intercepts referenced in the Company's News Release dated February 1, 2006.

Carlin Trend Mining Services of Elko, Nevada has also been engaged to coordinate all aspects of preparing road access, GPS grid definition in the immediate area of the established drill hole targets, sources of water supply for the drilling rig as well as related geological field support staff necessary to facilitate a successful launching of the 2006 Deep Hole Drilling Program. The Pony Creek/Elliot Dome Properties are located on the prolific gold producing Carlin Trend, Nevada and, as stated in previous Company News Releases, have an inferred gold resource of 1,426,000 ounces.

Matrix Geo-Technologies Ltd. along with Watts Griffis McOuat of Toronto have also been engaged to carry out geophysical structural analysis surveys down to depths of 650 meters in the immediate area of the initial 6 planned deep hole drill targets. This program will be completed in the next 2 weeks.

Under the terms of the Option Agreement, Grandview has the right to earn an undivided 60% interest in the Pony Creek/Elliot Dome properties by spending US\$3,500,000 over three years.

Mill City is a gold exploration company focused on creating value for shareholders by exploring and developing high-grade gold properties in Nevada. Mill City has 11 properties comprising 33,904 acres in the Cortez and Carlin Trends, as well as the Western Nevada Rift. Details of Mill City's projects are available on the Company's website at www.millcitygold.com
