

FOR IMMEDIATE RELEASE

TSX VENTURE SYMBOL "MC"

MILL CITY ADDS SENIOR GEOLOGICAL CONSULTANT

JUNE 12, 2008 – CALGARY, ALBERTA – MILL CITY GOLD CORP. (“Mill City” and/or the “Company”) is pleased to announce that Bruce Durham, P.Geo. has agreed to assume the role of senior geological consultant as the Company moves forward in its exploration program located in the Ring of Fire, McFaulds Lake area, northern Ontario.

A graduate of the University of Western Ontario, Mr. Durham has worked in mineral exploration for more than 30 years in various positions with junior mining companies exploring primarily for precious and base metal deposits in Ontario and Quebec, but also with companies exploring across Canada, in the USA, and in Africa. Mr. Durham has been an integral member or leader of various exploration teams credited with the discovery or definition of several significant mineral deposits including: the David Bell Mine (Hemlo), the Golden Giant Mine (Hemlo), the Redstone Nickel Mine (Timmins), the Bell Creek Mine (Timmins), several nickel-copper deposits on the Raglan South Project of Canadian Royalties that are being evaluated for their economic viability.

Currently the Executive Chairman of Temex Resources Corp., he was also President of Canadian Royalties from 2003-2006. He continues to serve as a Director of Canadian Royalties, a position he has held since 1998, and is also a Director of East West Corporation.

For further information please contact James R. Brown at 403-640-0110 or visit the Company’s website at www.millcitygold.com

ON BEHALF OF THE BOARD OF DIRECTORS

“James R. Brown”

James R. Brown
